

Stuck?

Do you have clients overly focussed on their pain?
Is your client not following through on your advice?
Would you like to help your client achieve ambitious goals?

Pain Management in Practice

Master your skills in managing clients with complex and chronic pain conditions in this 2 day workshop

empowerREHAB

Helps identify ways to work with resistance and challenge

Psychologist

The CBT and sleep treatment sessions with psychologist were excellent

Physiotherapist

Very interactive, the mix of psychologist and physio was great

Occupational Rehabilitation Consultant
